FOR IMMEDIATE RELEASE
COMMUNITY INPUT NEEDED FOR PROPOSED CITY/COUNTY PARK
Collaboration between Henry County and City of McDonough Continues

On Saturday, March 20th McDonough Mayor Pro Tem Sandra Vincent (District 2) and Henry County Commissioner Randy Stamey (District 3) will meet with local citizens to discuss plans for a proposed park located next to the Kroger Shopping Plaza on Jonesboro Road.

Both Vincent and Stamey are encouraging citizens to attend the Community Forum at Wesley Lakes Elementary School's cafeteria, at 685 McDonough Parkway, McDonough, Georgia. The meeting will start at 12:30 and end at 2:00pm.

The purpose of the meeting is to obtain community input on the uses for the park. Originally the area was scheduled to become a soccer complex, but the use was changed due to size. The County is currently proposing the installation of an athletic track. Vincent is requesting programs which better support a community park with elements which appeal to seniors, adults, youth, and small kids. Stamey and Vincent are requesting community input so that the end product is one which best serves the citizens.
