SUMMARY & REVIEW

CITY OF MCDONOUGH

FY2024-2025 BUDGET

BUDGET REVIEW SUMMARY

The total budget for the City of McDonough, including all funds for the Fiscal Year Ending June 30, 2025 (FY 2024-2025), is \$78,136,898. This represents an increase of 12.19% over the current FY 2023-2024 budget, as amended, of \$69,649,478. The General Fund is the largest component of the total budget, with budgeted expenditures of \$29,208,350, an increase of 11.64% over the current FY 2023-2024 budget, as amended, of \$26,164,079.

REVENUES

In the City of McDonough, tax revenues remain the number one revenue source for the General Fund. Estimated tax revenues are expected to remain stable during FY 2024-2025 following a recent positive trend in economic activity within the City. Transactions subject to sale taxes have shown increases resulting in improved local option sales tax collections.

The FY 2024-2025 budget estimates revenues from property taxes at \$5,760,000, representing a \$360,000 increase over the current FY 2023-2024 budget of \$5,400,000, a 6.67% increase. Revenues from local option sales tax collections are estimated at \$7,000,000, a \$1,000,000 increase over the current year's budget of \$6,000,000, a 16.67% increase. Revenue from the insurance premium tax is budgeted at \$2,600,000, an increase of \$100,000 or 4%. Overall total tax collections are estimated at \$20,123,500, a 7.85% increase over budgeted taxes of \$18,659,000 in FY 2023-2024.

CONCLUSION

The FY 2024-2025 Budget is balanced by departments and funds, and at this time, no increase in the City's millage rate is expected. Moody's Investor's Services continues to rate the City at Aa2, representing a strong credit position. McDonough has low debt, a small pension liability, a healthy tax base, adequate reserve funds, and a strong fund balance.

Many variables are associated with this planning document; however, we remain steadfast in our commitment to serving the citizens of the City of McDonough effectively, efficiently, and economically.

Steve Morgan, City Administrator

HUMAN RESOURCES

2023-2024 ACCOMPLISHMENTS

- Enhanced recruitment strategies are committed to attracting top talent. Implementation of our new system standardizes our job postings, targets niche talent pools, and streamlines the onboarding process to make a good first impression.
- Boosted Compliance Training- We successfully initiated our annual Sexual Harassment Prevention Training Program to enhance compliance awareness and prevent workplace harassment.
- Facilitated Classification and Compensation Study- We conducted a comprehensive study to evaluate job roles, responsibilities, and compensation structures. This allows us to ensure fair and competitive pay for our employees.
- Developed Virtual New Employee Orientation Training- Employees can onboard in remote environments with virtual engagements with city officials and leaders who cannot attend routine in-person sessions.
- Initiated position management and control- Establishing unique position identifiers provides a clear view of positions and their budgets, allowing us to make informed staffing decisions that align with city goals.

2024-2025 GOALS

- **Build a High-Performing Team:** Attract and retain top talent, and invest in ongoing training to ensure compliance and develop their skills.
- **Recognize and Reward Excellence:** Implement an employee recognition program to celebrate achievements and boost morale.
- **Empower Your Leaders:** Facilitate leadership development training to cultivate strong leaders who inspire and guide your team.
- **Offer Competitive Compensation and Benefits:** Ensure a total rewards package that attracts and retains top talent, including competitive salaries and a comprehensive benefits program.
- **Foster Diversity and Inclusion:** Develop a workplace that celebrates differences, leverages diverse perspectives, and fosters a sense of belonging for all.
- **Boost Employee Engagement:** Implement strategies to keep employees engaged, motivated, and connected to the company's mission.
- **Optimize HR Processes:** Streamline HR processes to improve efficiency, reduce administrative burden, and enhance the employee experience.

2023-2024 ACCOMPLISHMENTS

- **Enhanced Power Reliability:** Replaced backup batteries and power units at the Court and Libert Power unit.
- **Modernized Infrastructure:** Upgraded VMware OS and SolarWinds monitoring software.
- **Improved Public Engagement:** Launched the new City website and removed spam filtering issues.
- **Strengthened Cybersecurity:** Updated antivirus software and deployed Microsoft 365 for leadership.
- **Increased Efficiency:** Upgraded Helpdesk ticketing system and Genetec access control.
- **Improved Departmental Collaboration:** Purchased a vehicle for the department and moved a server to the Court with expanded capacity.
- **Advanced Technology Systems:** Upgraded Laserfiche server, DHCP/DNS servers, existing RMS software, and display screens in the Chambers.
- **Enhanced Police Operations:** Partnered with Henry County to update Police computers and software.
- **Streamlined IT Management:** Upgraded virtual server OS and implemented iPhone refreshes for key personnel.
- **Enhanced Security and Surveillance:** Initiated projects to install access control and video surveillance systems at Public Works.
- **Future-proofed Data Storage:** Started building a new Data Center at the Public Works Building.

2024-2025 GOALS

- Complete the Public Works access control and video surveillance system installation.
- Finalize the new Data Center build-out and migrate all systems for optimal performance.
- Develop a comprehensive cybersecurity training program for all City employees.
- Implement a standardized technology refresh schedule for all equipment.
- Partner with other departments to identify and implement further technology solutions to improve efficiency and service delivery.

POLICE DEPARTMENT

2024-2025 GOALS

Impact Employee Satisfaction

- Invest in Continuous Learning: Provide ongoing educational opportunities that equip employees with relevant skills and knowledge, fostering growth and development.
- Foster Open Communication: Establish clear and consistent communication channels with front-line employees. This creates a sense of trust and allows for feedback.
- Empower Mid-Level Supervisors: Promote collaboration between management and mid-level supervisors to improve transparency and oversight and foster a sense of shared ownership.

Efficiency and Effectiveness of the Department

- Data-Driven Staffing: Analyze workload and implement strategic staffing plans to optimize resource allocation and meet departmental needs.
- Call Time Optimization: Evaluate and adjust call handling procedures based on staffing levels to improve response times and overall efficiency.
- Streamline Uniform Patrol Workload: Analyze and streamline workflows within the Uniform Patrol Division to reduce redundancy and improve officer effectiveness.

Improve Quality of Life

- Strengthen Community Engagement: Actively participate in community outreach programs and foster positive relationships with the citizens you serve.
- Real-Time Feedback: Implement a short, anonymous survey that can be completed by officers while on dispatched calls to gather immediate feedback on workload and challenges.
- Actionable Wellness Resources: Distribute a regularly updated tip sheet with actionable strategies to improve officers' mental and physical well-being, promoting a healthy work-life balance.

& PROBATION SERVICES

2023-2024 ACCOMPLISHMENTS

- **Awarded Perfect Compliance:** Successfully achieved "zero" findings or concerns during the 2022 Misdemeanor Probation Oversight Unit Compliance Review Audit, demonstrating exceptional compliance standards.
- **Enhanced Agency Capabilities:** Successfully completed the Terminal Agency Coordinator Certification Course, a crucial step towards obtaining an ORI number and agency registration.
- **Developed Comprehensive Training Program:** Created and submitted a detailed "training plan," fulfilling requirements set by the Misdemeanor Probation Oversight Unit.
- **Improved Public Accessibility:** Updated the City of McDonough website with readily accessible contact information for Probation Office employees.
- **Streamlined Case Management:** Implemented a color-coded case file "status" system, fostering better organization and efficient case management.

2024-2025 GOALS

- **Obtain Legal Recognition:** Secure registration with the Georgia Bureau of Investigations (GBI) and Georgia Peace Officer Standards and Training (POST) as a legally constituted Municipal Probation Office.
- **Expand Team Capacity:** Recruit and hire a 3rd Probation Officer and an Administrative Assistant to enhance departmental efficiency.
- **Foster a Positive Work Environment:** Promote a culture of positivity and high morale for a thriving and productive workplace.
- **Enhance Court Security:** Collaborate and assist the Municipal Court as Peace Officers by offering extra security, including monitoring the court's surveillance system.

FIRE DEPARTMENT

2023-2024 ACCOMPLISHMENTS

Enhanced Service Delivery

- Provided exceptional service to McDonough and surrounding communities.
- Established the McDonough Firefighters Foundation to raise additional funds for the department.
- Successfully replaced two aging fire vehicles with a new pumper and a new aerial platform, improving firefighting capabilities and reducing maintenance costs. (Funded by SPLOST)
- Maintained a perfect record during all apparatus inspections and certifications.
- Upgraded firefighter equipment, including self-contained breathing apparatuses (SCBA) and turnout gear, to ensure firefighter safety.
- Implemented new web-based programs to streamline fire prevention duties and reporting at no cost to the city.
- Partnered with community organizations on initiatives like Teddy Bear Donation Drive and Community Cares Toy Shop, demonstrating community engagement.

Team Excellence

- Conducted a successful Lieutenant promotional process, building a strong leadership pipeline.
- Partnered with Wesley Way UMC to provide child safety seats to the community.
- Lieutenant Tyler Kelley graduated with a 4.0 GPA, demonstrating commitment to professional development.
- Awarded 11 MFD personnel, Battalion Chief Buddy Jenkins, Battalion Chief Greg Moore, Captain Dale Matthias, Lieutenant Paul Floyd, Firefighter/Paramedic Daniel Ward, Firefighter/Paramedic Chance Williams, Firefighter/AEMT Justin Hopper, Firefighter/AEMT Quenten Dalton, Firefighter/AEMT Nick Citizen, Firefighter/AEMT Matt Waits, and Firefighter/EMTI Robert Cotrell earned Cardiac Save Awards.
- Elected Fire Officer & Firefighter of the Year; Battalion Chief Greg Moore, Fire Officer and Firefighter/Paramedic Michael Akins, Firefighter.
- Streamlined reporting processes for the Georgia Fire Marshal's Office.
- Upgraded shift and station staffing procedures for optimal efficiency.
- Purchased a new administrative vehicle to enhance departmental operations.
- Participated in community events, strengthening relationships with citizens.

Improved Operational Efficiency

- Developed a plan for regular flag and SCBA battery checks, ensuring proper equipment function.
- Implemented a vehicle and apparatus cleaning and maintenance schedule to extend equipment lifespan.
- Invested in new thermal imaging cameras for improved situational awareness and firefighter safety.
- Provided semi-annual fire safety education messages directly to citizens through water bills.
- All fire personnel completed the required training and certifications, maintaining department readiness.

FIRE DEPARTMENT

2024-2025 GOALS

Maintaining Service Excellence

- Continue delivering exceptional fire and EMS services to the McDonough community.
- Implement a comprehensive driver training program to ensure all personnel are qualified to operate MFD apparatus, with designated Driver/Operator positions for aerial vehicles.
- Update Standard Operating Procedures (SOPs) to reflect best practices and department regulations.

Enhancing Facilities and Infrastructure

- Complete renovations to both fire stations, including the upstairs area of Station 51, to optimize space utilization.
- Relocate Fire Department Administration to the renovated upstairs area of Station 51 for improved efficiency.
- Repair the apron and parking lot at Station 52 to ensure safe and reliable access for emergency vehicles.
- Replace outdated furniture, fixtures, and appliances in both stations to provide a comfortable and functional work environment.

Strengthening Risk Reduction

- Collaborate with the Henry County Fire Department (HCFD) to strategically relocate Rescue 51 within the city limits for enhanced emergency response times.
- Fully implement the Life Safety Vault program for the Prevention Division, allowing for efficient data collection and risk reduction strategies.
- Partner with Community Development to develop a user-friendly software or web-based program for streamlined plan review and filing processes.

Community Outreach and Education

- Continue delivering impactful public education programs on fire safety, Safe Kids initiatives, and other community service programs.
- Maintain consistent public outreach through regular articles in the Citizen Engager and quarterly safety messages in water bills.

Staffing and Resource Expansion

- Fill current firefighter vacancies and recruit additional personnel (2 line staff, 1 administration) to address staffing needs due to city growth.
- Evaluate the feasibility of opening Station 53 as a training facility with current staffing levels and resources.
- Explore the construction of a fire apparatus storage facility or Station 54 to manage out-of-service and reserve equipment.

FIRE DEPARTMENT

2024-2025 GOALS

Equipment and Training

- Replace aging turnout gear sets (6-8) to ensure firefighter safety during operations.
- Continue providing CPR/AED and Stop the Bleed training to police, court personnel, and all city departments, expanding preparedness across the city.
- Prioritize equipment maintenance and upgrades to ensure the reliability and functionality of vehicles, apparatus, and fire/EMS equipment.

Collaboration and Efficiency

- Work with HCFD to strategically reduce reliance on automatic aid, enhancing self-sufficiency for emergency responses.
- Finalize the updated Impact Fee Schedule with Bill Ross to ensure sustainable funding for future needs.
- Maintain the department's Class 2 ISO rating, reflecting fire safety and risk mitigation commitment.

2023-2024 ACCOMPLISHMENTS

Planning & Zoning Division

- **Completed Comprehensive Plan Update:** This update ensures our community's development plan aligns with current needs and future goals.
- **Initiated Zoning Code Update:** This ongoing project will modernize our zoning code to support desired development patterns better.
- **Streamlined Permit Processing:** The division efficiently processed 801 applications, including land use petitions, variances, and various permits. This demonstrates strong support for community development activity.
- **Enhanced Leadership:** Welcomed a new Community Development Director to lead the division's strategic direction.

Building and Inspections Division & Code Enforcement

- **Enhanced Fee Structure:** Implemented revised permitting fees to ensure cost recovery for department services.
- **Expanded Expertise:** Hired a fully certified Commercial Building Inspector and a new Code Enforcement Officer, strengthening our team's capabilities.
- **Streamlined Permitting Process:** Updated permit applications for clarity, simplifying document requirements for applicants.
- **Elevated Staff Training:** Our inspectors completed additional certifications and training, ensuring they are equipped with the latest knowledge.
- **Modernized Workstations:** Upgraded permit clerk workstations to improve efficiency and workflow.
- **Promoted Employee Versatility:** Increased emphasis on cross-training to enhance staff knowledge and flexibility.
- **Improved Citizen Experience:** Updated the City website for easier access and navigation, streamlining the user experience.
- **Exceeded Revenue Targets:** Generated \$1,712,393.16 in departmental revenue for fiscal year 2023-2024, exceeding expectations with two months remaining.
- **Embraced Innovation:** Implemented an ongoing process to create a digital system for plan submittal, review, and filing.
- **Promoting Community Pride:** Participated in the "McDonough Beautiful Campaign" through Code Enforcement to encourage commercial property maintenance and enhance the city's aesthetics.
- **Enhanced Code Enforcement Efficiency:** Equipped Code Enforcement Officers with car-mounted computers for streamlined reporting and data access in the field.

2024-2025 GOALS

- **Full Implementation of Digital Permitting System:** Complete the development and launch of a user-friendly digital platform for plan submissions, reviews, and filings. This will streamline the permitting process for both applicants and staff.
- **Expand Code Enforcement Initiatives:** Broaden the "McDonough Beautiful Campaign" scope to include residential properties. Partner with community organizations to offer educational programs and resources for property maintenance.
- **Achieve Permit Processing Efficiency Benchmark:** Establish a clear benchmark for permit processing times and implement strategies to achieve or exceed this target. This will ensure timely approvals for development projects.
- **Enhance Cross-Training and Staff Development:** Continue to emphasize cross-training programs and provide ongoing professional development opportunities for inspectors and permit clerks. This will ensure a highly skilled and adaptable workforce.
- **Increase Citizen Engagement:** Develop an outreach program to educate the community about the permitting process, code enforcement regulations, and the importance of building safety. This will foster collaboration and transparency.

WASTE WATER TREATMENT

2023-2024 ACCOMPLISHMENTS

- Achieved 16 consecutive years of perfect compliance (100%) on our NPDES permit, earning the Platinum award.
- Successfully renewed our permit with the Environmental Protection Department (EPD), ensuring continued operation.
- Completed repairs on Orbal A, enhancing treatment plant efficiency.
- Initiated rehabilitation project on clarifiers 3 and 4, safeguarding future treatment capacity.
- Removed and beneficially reused approximately 280 tons of biosolids as fertilizer, promoting sustainability.
- Ensured optimal functionality of 12 pump stations through consistent maintenance.
- Preserved in-house laboratory capabilities by passing DMRQA testing.
- Increased treatment plant's capacity by installing a new 10-horsepower pump in return well B.

2024-2025 GOALS

Enhance Operational Efficiency:

- Acquire new spreader truck and spreader body for improved material distribution.
- Install a new pump at Cameron Manor station to increase efficiency and reliability.
- Construct a new storage shed to optimize space utilization (requires removal of existing metal containers).
- Implement an automated gate system to improve facility security.

Maintain Regulatory Compliance:

- Continuously meet all state and federal environmental requirements.
- Achieve and maintain Platinum award recognition for the 17th consecutive year.

Foster a Positive Workplace Culture:

- Maintain a positive and supportive work environment to promote employee retention.

Improve Facility Appearance:

- Conduct a comprehensive property cleanup, including fence line maintenance and interior building painting.
- Complete rehabilitation of clarifier $\frac{3}{4}$.
- Construct a dedicated dump basin for septic haulers.
- Maintain a clean and well-organized facility.

Enhance Laboratory Capabilities:

- Pass DMRQA testing to retain in-house laboratory testing capabilities.

GLOSSARY

- **Expenditures**

Definition: Expenditures refer to the total amount of money spent by a municipality on various services, projects, and operations. This includes costs related to personnel, supplies, maintenance, utilities, and capital outlays.

- **Revenues**

Definition: Revenues are the income received by the municipality from various sources, including taxes, fees, grants, and intergovernmental transfers. This income funds public services and municipal operations.

- **Current**

Definition: Current refers to the actual financial figures (revenues, expenditures, etc.) recorded within the present fiscal year up to the date of reporting.

- **YTD (Year-To-Date)**

Definition: YTD indicates the cumulative total of revenues, expenditures, or other financial metrics from the beginning of the fiscal year to a specified date, typically the end of the most recent accounting period.

- **Proposed**

Definition: Proposed represents the budgeted figures that are planned or suggested for future periods, often outlined in the budget book for the upcoming fiscal year.

- **Opioid Settlement**

Definition: Opioid Settlement funds refer to money received from settlements related to opioid litigation, intended for use in addressing the opioid crisis through prevention, treatment, and recovery programs.

- **American Rescue**

Definition: American Rescue refers to funds provided under the American Rescue Plan Act (ARPA) to support municipalities in recovering from the economic impacts of the COVID-19 pandemic, including support for public health, economic recovery, and infrastructure projects.

GLOSSARY

- **ARPA (American Rescue Plan Act)**

Definition: ARPA stands for the American Rescue Plan Act, a federal legislative package providing financial relief to local governments, individuals, businesses, and healthcare systems affected by the COVID-19 pandemic.

- **Fire SSD (Special Service District)**

Definition: Fire SSD refers to a Special Service District established to fund fire protection services. Revenues for this district come from property taxes or fees assessed specifically within the district.

- **Public Safety SSD (Special Service District)**

Definition: Public Safety SSD refers to a Special Service District established to fund public safety services such as police and emergency response. Similar to Fire SSD, it is funded through specific property taxes or fees.

- **Hotel/Motel**

Definition: Hotel/Motel refers to taxes collected from lodging establishments. These revenues typically fund tourism, marketing, and development activities within the municipality.

- **SPLOST IV**

Definition: SPLOST IV refers to the fourth iteration of the Special Purpose Local Option Sales Tax, a voter-approved one-percent sales tax used to fund capital outlay projects for public facilities, transportation, and other infrastructure.

- **SPLOST V**

Definition: SPLOST V refers to the fifth iteration of the Special Purpose Local Option Sales Tax, continuing the funding of major capital projects within the municipality.

- **Transportation SPLOST**

Definition: Transportation SPLOST (TSPLOST) is a specific Special Purpose Local Option Sales Tax designated for transportation projects, including roadways, bridges, public transit, and other transportation-related infrastructure.

GLOSSARY

- **IMPACT FEES**

Definition: Impact fees are charges imposed on developers to fund the infrastructure needed to support new development.

- **MCD URA (Urban Redevelopment Authority)**

Definition: MCD URA refers to the Urban Redevelopment Authority, which manages and funds urban renewal projects aimed at improving and redeveloping specific areas within the city.

- **Water Sewer**

Definition: The Water Sewer category encompasses revenues and expenditures related to the municipality's water and sewer services, including maintenance, operations, and capital improvements of water and wastewater systems.

- **Sewer Maintenance**

Definition: Sewer Maintenance refers to the specific accounting code for expenditures related to the maintenance and repair of the municipality's sewer system, ensuring proper functionality and compliance with environmental standards.

These definitions align with the guidelines and terminology used in the State of Georgia Uniform Chart of Accounts for municipal governments.
